

FLOTT TB 13 ST electronic

Kind : Driller
Brand : FLOTT
Model : TB 13 ST electronic
Year : 1987
Serial Nr: 331202092
Stock Nr : P2003

TECHNICAL DETAILS

- spindle speed : 400 - 4.500 [Rpm]
- drilling capacity in steel / cast iron : 10 / 13 [mm]
- drilling depth : 60 [mm]
- column / spindle distance : 185 [mm]
- useful table volume : 220 x 300 [mm]
- motor power : 0.5 [kW]
- supply : 220 [V]
- speed selection through display of drilling diameter and material
- electronic adjustment of the spindle speed
- continuous adjustment of the spindle speed between 400 and 4500 Rpm
- steady loading speed
- drilling head with adjustable height through pneumatic compensator
- fine adjustment of the drilling depth through millimetric vernier
- electronic protection motor
- base plate entirely machined (220 x 300 mm)
